A safe and practical solution with effortless style

Ergonomic and innovative design features

SMART

Stairlifts are battery powered to ensure you are in motion even during a power outage. Opt for the **continuous charging** feature so the battery charges no matter where it is parked.

SAFE

Surrounded by **safety sensors**, Handicare stairlifts are designed to stop if meeting an obstruction – keeping you safe and still on your seat.

INTUITIVE

The toggle control was designed in collaboration with occupational therapists to ensure it is **easy-to-use** and operate – simply push with your hand, arm or wrist in the direction you want to go.

COMPACT

This compact and **unobtrusive** stairlift was designed to maximize the clear space on the stairs when folded. Its slim waistline and diamond-shaped backrest, are distinct aesthetics of their own.

ELEGANT

Boasting modern lines, gentle curves and muted tones, the Xclusive offers a **distinguished appearance** that doesn't skimp on comfort. Its effortless style blends and fits any house and interior.

CONVENIENT

Upgrade to the **powered footrest** option and remove any need for you to bend down and fold the footrest up or down.

Your first step to independence
